

Background Fingerprint Information

Prior to submitting an application for licensure, each applicant must submit a set of fingerprints to the Colorado Bureau of Investigation (CBI) for the purpose of conducting a Colorado and national fingerprint-based criminal history background check utilizing records of CBI and the FBI.

Options for Getting and Submitting Fingerprints

The Colorado Applicant Background Services program (CABS) requires fingerprint transmission through approved vendors. Please use the following information to enroll and schedule an appointment (required) with one of the following vendors.

Option 1 - IdentoGO by Idemia

Use the following links to register for a fingerprint appointment. IdentoGo enrollment centers are located throughout Colorado and the U.S.

Please click the license you will be applying for from one of the links below, and when redirected to the IdentoGo scheduling page, select **Schedule or Manage Appointment**

- [Appraisal Management Company Owners/Controlling Appraisers](#)
- [Community Association Managers](#)
- [Mortgage Loan Originators](#)
- [Real Estate Brokers](#)

Option 2 (Fingerprint Card with Electronic Transfer)

If you are unable to locate a physical location near you or if you reside outside of Colorado, you must utilize this option for fingerprint card submissions. If you select this method, be sure to use FBI fingerprint card **FD-258**. Many local sheriff offices offer fingerprinting services. You must follow the [pre-registration process](#) for hard copy card submissions. Please use the following service codes when registering for fingerprint card submission:
